\* Extendable up to May 1, 2031, if the Secretary finds that insufficient retrofitting shop capacity will prevent the phase-out of tank cars not meeting the DOT-117, DOT-117P, or DOT-117R by the deadline.

\*\* Extendable up to May 1, 2027, if the Secretary finds that insufficient retrofitting shop capacity will prevent the phase-out of tank cars not meeting the DOT-117, DOT-117P, or DOT-117R by the deadline.

<sup>4</sup> Applies only to tank cars in an HHFT configuration (Trains with 20 or more tank cars)

<sup>5</sup> Applies to a single tank car containing the denoted commodity.

<sup>6</sup> If these cars are not retrofitted by January 1, 2017 the owners must file a report with the Department on the number of tank cars that they own that have been retrofitted and the number that have not yet been retrofitted.

I will be adding information to this and other tank car groups each month.

The Rail Mart, Inc. is not responsible for errors. You can find the official documents in the Federal Register Rules & Regulations.
