CPR & First Aid Training

The approved curriculum for the MEDIC FIRST AID course we offer is a **CPR, AED, and first aid training program** designed for the occupational first aid provider. This flexible program can help employers meet OSHA and other federal and state regulatory requirements for training employees how to respond and care for medical emergencies at work.

MEDIC FIRST AID is approved by, both the U.S. Department of Transportation and the U.S. Department of Labor, Mine Safety, and Health Administration.
